From (Name) M.R.Ry.C.R.Karunakara Menon,Avl.,B.A.,B.L.,

(Designation) Commissioner, Mangalore Municipality.

To The Secretary to the Government of Madras,
Local Self Government Department,
Fort St.George,
M A D R A S.

Through
The Chairman,
Municipal Council,
MANGALORE.

Sir,

On a representation made by the Municipal Town Surveyor, J.G.Saldanha to grant him a conveyance allowance of Rs.15/- per month for the discharge of his outdoor duties, and on my recommendation for the payment to him of Rs.13-8-0 for the maintenance of a Jutka, the Municipal Council in its Resolution

No.7

No.7, dated the 7th September 1936, (copy enclosed) sanctioned a conveyance allowance of Rs. 13-8-0 per mensem, subject to the approval of Government.

2. Before placing the matter before the Municipal council, I had addressed some other municipalities in the matter and I learnt from them that all of them are paying conveyance allowances to their Town Surveyors whereas the Town Surveyor under this Council is not being paid any allowance at all. It therefore seems to be a real hardship to the Town Surveyor to have been deprived of the benefit, which all others in the similar posts enjoy. It may also be stated here that the special Revenue Inspector, who had been recently employed in connexion with Land Acquisition work within the Municipality (vide G. O. No. 721 Revenue, dated the 22nd March 1935 etc.) is paid actual expenses of Rs.13-8-0 from the Municipal funds for carrying out more or less the same type of work in the same area.

3. The Collector who was addressed by me in the matter of payment of the conveyance allowance of Rs.13-8-0 to the Town Surveyor, stated in his letter D. Dis. No. 5065-36, dated the 7th October 1936, (copy enclosed) that he has no objection to the payment of the proposed allowance to the Town Surveyor, but that the question whether any portion of it should be met from Provincial funds is for the Government to decide. The Town Survey Establishments were constituted on the distinct understanding that one third cost of maintenance of these establishments should be borne by Provincial Revenues and the remaining two thirds by the municipalities. This council is meeting only 2/3 cost of maintenance of the entire Town Survey Establishment and it is but proper that the conveyance allowance now sanctioned by the council and approved bf by the Collector of the District should be apportioned in the above proportion.

I therefore,

I therefore request that Government may be pleased to accord the necessary sanction for the payment of a conveyance allowance of Rs.13.8.01 per mensem to the Town Surveyor for the maintenance of a jutka with effect from the date of the Council's sanction and also to order that the one third of the additional cost is paid from Provincial funds.

Your obedient servant,

C. Ramanathan

To A.S.

With reference to Peon's query above, it is submitted that as ~~the~~ Conveyance allce paid to Town Surveyors are drawn entirely from Municipal funds, the Town Surveyors are not included in the list showing the ~~Office~~ Conveyance allce sanctioned by Govt ~~and~~ at pp 29-42 of Rule 1 of Special Pay and Allces Vol III. Therefore no specific Conveyance is prescribed for them. In cases where an allce of Rs 4/- is sanctioned these Surveyors are expected to maintain a ~~huge~~ bicycle as in the case of Govt ~~servant~~ servants specified in the list to whom an allce of Rs 4 is given. In this particular case the allce is asked for the maintenance of a ~~Jutka~~.

The post of the town surveyor has not been reported. From the Estt. for 1936-37 (p. 62) of town surveyors it is seen that the pay varies from Rs. 30-70 to Rs 40-80. The conveyance allowance allowed to a Civil officer drawing more pay is Rs 13-2-0 only if he maintains a gharry & Rs 6 if he maintains a bicycle. The same rates may be allowed if the CE is prepared to bear the whole cost from his funds. The Co presumably satisfied that such a grant is necessary Draft letter is for appl.
